Nancledra School

Issue 32

SCHOOL IS CLOSED FOR THE HALF-TERM BREAK FOR THE WEEK COMMENCING 31st MAY.

Monday 7 June - Class 3 and Class 4

This will be an additional tracksuit day for all children in classes 3 and 4.

COVID-19 guidance for the Half-Term Break

We would like to inform you of the information provided by the Department for Education and Public Health England in terms of the role school leaders will play in assisting with contact tracing into the start of the school holiday. School leaders are expected to be available to assist with tracing and tracking of contacts of Covid-19 cases after teaching ends. **They have requested that we make everyone aware of the arrangements in terms of Covid-19 cases during the school break so we would be grateful if you could make yourself familiar with the following:**

If a pupil or staff member tests positive for the coronavirus, having developed symptoms within 48 hours of being in school - up to and including midnight on the 30th May, we have been asked to assist in identifying close contacts and advising self-isolation, as the individual may have been infectious while they were in school. So;

- **If one of our children (or staff) develops symptoms within 48 hrs of being in school -**

and

- **subsequently tests positive for Coronavirus,**

You should inform the school by e-mailing head@nancledra.cornwall.sch.uk between 9.00am and 12noon. Please include a telephone contact number in your email. Any close contacts who subsequently need to isolate will receive an email or text message from me.

Where a pupil or staff member tests positive for the coronavirus, having **developed symptoms more than 48 hours since being in school,** the school should not be contacted. In this instance**, parents and carers should follow contact tracing instructions provided by NHS Test and Trace.**

Book Donations

Preschool is building a little library for the children, any donations of children's books would be gratefully received. Please take any donations direct to pre-school.

Thankyou

Class 4 - Ocean World Performance on 13 July 2021

Ocean World tickets will be going on sale this **Monday 31st May from 10am**. Tickets will only be bookable with the following voucher code: **WHALE21**.

As things stand at the moment with social distancing still in place the amount of tickets each family can buy is limited as the Minack are operating at a reduced seating capacity.

As a number of local schools are taking part the Minack are limiting 2 tickets per family (unless parents need to bring other children with them in order to come, in which case they can have more). There won't be tickets available for extended family unless the government relax social distancing. More information about this will hopefully be available later next month.

Tickets will not be bookable by the public, or anyone without this voucher code.

Performance:

For the actual performance children will need to wear either black trousers, black leggings or black skirts. They will be given an Ocean World t-shirt to wear when they arrive for their performance.

Football

Our football team took part in two finals this week and were successful in both. On Wednesday we won the T-Broad shield with victories against Mousehole school and Truro Learning academy. On Thursday we won again against Trythall School and Wadebridge Primary School to secure the Europa NHS Cup. The team learnt a lot this week and fully deserve their success.

Plants Needed ...

FONS have very kindly been offered a table at St Ives Farmers market on the 10th June & 24th June. We would like to sell some plants on our stall so if anyone has any spare seedlings or succulents that they have grown and you would like to donate that would be fantastic.

Please contact Di Smith (diannesmith@outlook.com) if you can donate any plants, she will collate a list and gather the plants together just before the first event.

It would be wonderful if anyone is around St Ives on those dates if you could pop into the Guildhall and support us too **:)**

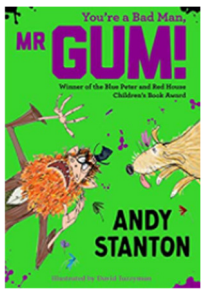
Audacious

(Adjective)

Be willing to take a risk or seize an opportunity.

"He scored with an audacious shot from the halfway line"

What are you Reading?



This week we would like to thank Alys in year 4 for her book recommendation 'You're a Bad Man, Mr Gum!' by Andy Stanton (illustrated by David Tazzyman). "This is a really funny book with a little bit a of a dark side. This is the first in the series and it introduces all the strangely-named characters and their random habits. If you like nonsense, funny pictures and a bit of disgusting stuff, you would enjoy this book. I recommend it to anyone from year 2 upwards."
